The Board of Directors
Dress for Success Cincinnati and Affiliate
Cincinnati, Ohio

We have audited the accompanying consolidated financial statements of Dress for Success Cincinnati and Affiliate (non-profit organizations), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Dress for Success Cincinnati and Affiliate as of December 31, 2016 and 2015, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Independent Auditor's Report
(Continued)**

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedules on pages 13 to 18 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Dress for Success Cincinnati (DFSC) exists to help women who are endeavoring to enter the workforce by providing them with high quality, interview-appropriate clothing, as well as counseling on getting and keeping jobs and improving the economic well-being of themselves and their families. Its affiliate, Fourth Street Basement Boutique dba Portaluca (Portaluca), is a social enterprise located in downtown Cincinnati and College Hill that sells donated clothing; the net proceeds are transferred to Dress for Success Cincinnati.

Principles of Consolidation

The consolidated financial statements include the accounts of Dress for Success Cincinnati and Portaluca (collectively, the Organization), an affiliate controlled by Dress for Success Cincinnati. All significant inter-organizational balances and transactions have been eliminated.

Financial Statement Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP). The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets which have no donor-imposed restriction; temporarily restricted net assets which have donor-imposed restrictions that will expire in the future; and permanently restricted net assets which have donor-imposed restrictions which do not expire. There were no permanently restricted net assets at December 31, 2016 and 2015.

Cash and Cash Equivalents

The Organization considers all liquid investments with original maturities of three months or less to be cash equivalents. At December 31, 2016 and 2015, cash equivalents consisted primarily of money market deposit accounts. The Organization maintains its cash in bank deposit accounts which may, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

Donated Inventory

Inventory donated to DFSC, which consists primarily of women's clothes used in its programs, is recorded at fair value. Other items of clothing that are donated to DFSC which cannot be used in its programs are not recorded, but are transferred and recorded by Portaluca for sale.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at the estimated fair value at the date of receipt. Depreciation is computed on a straight-line basis over an estimated useful life of the respective assets. The cost of maintenance and repairs are expensed as incurred, while significant improvements are capitalized.

DRESS FOR SUCCESS CINCINNATI AND AFFILIATE

Notes to Consolidated Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

The Organization records gifts of cash and other assets at their fair value as of the date of contribution. Such donations are recorded as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as unrestricted revenue.

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Unconditional promises to give expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized and reported as contribution revenue. Conditional promises to give are recognized as revenues when the conditions on which they depend are substantially met. Any such contributions where funds are received by the Organization are reported as deferred revenue on the statement of financial position until the condition is met.

Donated Services

The Organization records donated services as revenues in the period received only if the services received create or enhance non-financial assets or required specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. No amounts have been reflected in the financial statements for donated services. The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization.

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the notes to the consolidated financial statements. Expenses have been classified based upon the actual direct expenditures and cost allocations based upon estimates of time spent by the Organization's personnel.

DRESS FOR SUCCESS CINCINNATI AND AFFILIATE

Notes to Consolidated Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of Ohio law. However, the Organization is subject to federal income tax on any unrelated business taxable income.

The Organization's IRS Form 990s are subject to review and examination by federal and state authorities. The Organization believes it has appropriate support for any tax positions taken, and therefore, does not have any uncertain income tax positions that are material to the financial statements.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications

Certain 2015 figures have been reclassified to conform to the 2016 presentation.

Subsequent Events

In preparing its financial statements, the Organization has evaluated events subsequent to the statement of financial position date through May 3, 2017, which is the date the financial statements were available to be issued.

The Organization receives support from various fundraising events and other campaigns. Support and revenues recognized for special events and contributions exceeded total fundraising costs by \$254,994 and \$141,771 in 2016 and 2015, respectively. Excluding fundraising costs, the allocation of operating expenses to program services and management and general is summarized as follows:

	<u>2016</u>	<u>2015</u>
Program	90%	90%
Management and general	<u>10%</u>	<u>10%</u>
	<u>100%</u>	<u>100%</u>

NOTE 7 RECENTLY ADOPTED ACCOUNTING STANDARDS UPDATE

On August 18, 2016, the FASB issued ASU 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The standard aims to improve nonprofit financial statements in an effort to provide more useful information to donors, grantors, creditors and other users. Major components of this standard include: net asset classifications, liquidity and availability of cash and consistency in reporting expenses. Net asset classifications will be reduced from three classes (unrestricted, temporarily restricted and permanently restricted) to two: net assets with donor restrictions and net assets without donor restrictions. Updated disclosure requirements will be presented regarding risk exposure and availability of cash for short term use. Expenses will be reported by both their natural and functional classification to aid in the usefulness of financial statements. This standard will be effective for Organization's calendar year ending December 31, 2018.

On May 28 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers*. The standard's core principle is that a company will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. This standard also includes expanded disclosure requirements that result in an entity providing users of financial statements with comprehensive information about the nature, amount, timing, and uncertainty of revenue and cash flows arising from the entity's contracts with customers. This standard will be effective for the calendar year ending December 31, 2019.

In February 2016, the FASB issued ASU 2016-02, *Leases*. The standard requires all leases with lease terms over 12 months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the income statement. This standard will be effective for the calendar year ending December 31, 2020.

The Organization is currently in the process of evaluating the impact of adoption of these ASUs on the financial statements.
